3. Improper repair work may void your warranty. 4. To keep your warranty you should maintain proper records of all warranty repairs and ensure you properly log the service information in the work order system. Epson is not responsible for damage to any part in the course of normal wear and tear. This applies to the heat-fixing portion of the thermal head, electronics, internal and external surfaces, and any external packaging materials used to ship the device. All parts may be subject to normal wear and

tear, including any aging or deterioration in parts due to environment, use or the natural passage of time. If for any reason Epson receives the device back with a value of less than US\$50, you must advise Epson that the device is defective within 30 days of purchase. Toner Cartridge Warranty Your Epson device will contain a cartridge component. Epson warrants that all cartridges that are manufactured by Epson, or that are specially designed and approved by Epson for use with the Epson device, shall be free from defects in materials and workmanship for a period of one year from the original purchase date. This warranty shall be effective only if the product containing the cartridge is purchased from Epson or an authorized Epson reseller. Please contact your local Epson reseller for complete warranty terms and conditions. 1. Epson reserves the right to replace or repair the cartridge for free up to 30 days from the original purchase date. 2. If the Epson device must be replaced, the cost of the replacement cartridge will be credited to the customer's purchase date. 3. We are not responsible for your use of the cartridge and in no event shall we be liable for any incidental, special or consequential damages. 4. Should a cartridge defect occur that is caused by the misuse or improper maintenance of the device, the warranty shall be limited to replacement or repair of the cartridge at our discretion. 5. No work should be performed on this product by persons not approved or certified by Epson. 6. Improper repair work may void your warranty. 7. Epson is not responsible for damage to any part in the course of normal wear and tear. 8. Should any cartridge damage occurs from incorrect installation of the cartridge, you must immediately return the cartridge to the manufacturer for repair or replacement. Repairs on Epson device should be performed only by an Epson certified repair technician. No work should be performed on this product by persons not approved or certified by Epson
